Dear UCAIug User: Takayuki.Shintani1

The SGIP Update #2 Webinar is scheduled for this Wednesday, October 28, 2009, 11 a.m.-Noon ET   If you would like to participate, please use this link to the webinar registration page..

https://www2.gotomeeting.com/register/277520522

Note that each attendee must register separately, as the meeting credentials are unique for each participant...once you have registered, the webinar details will be sent to you in a separate email.

How to Become a Member of the SGIP

If you would like to become a member of the SGIP, please fill out the SGIP Membership Agreement found at this link

http://collaborate.nist.gov/twiki-sggrid/pub/SmartGrid/SGIP/Smart_Grid_Interoperability_Panel_Membership_Agreement.doc

You may email the file, fax it to the number included, or mail it to the address on the form. **Email is strongly encouraged** as the best mechanism for ensuring quick and accurate collection of your information. To become a member, you will need to indicate what organization you belong to and what stakeholder category your organization will represent for certain votes of the SGIP. The draft list of stakeholder categories and their descriptions is posted on the collaboration site along with the charter at the link given above. If you have comments on the list of stakeholder categories, please submit them as comments on the charter as described above. You can also get another copy of the Membership Agreement from the site if you need it.

Kindest regards, Kay Clinard
